Welcome Back Skaters!!

Welcome to the 2011 2012 Peterborough figure skating season! The Executive has been busy planning a very exciting year ahead. In the works are three theme/fun days and a family skate at Christmas is also in the planning stages. As well as the ever popular pizza nights. Our end of the winter season carnival is planned for April 1\12. Please stay tuned. The Executive and Coaches will be showcasing the history of our club at DOORS OPEN September 24, 10 to 4 pm. Please drop by and learn all about your skating club.

The Executive will be available in the office a half hour before each session should you have any questions don't hesitate to drop by. We are all in volunteer positions so please keep that in mind should you have any complaints we all are trying our best to provide the best learning environment for our skaters. I am really excited for a new and exciting year of skating for all! My best in skating,
Diane Sargent

Boston Pizza Receipts - Fundraising Promotion

The Peterborough Skating Club is registered with Boston Pizza's fundraising promotion. Simply save your Boston Pizza receipts and drop them off at our office in the Memorial Centre, or you can leave your receipts at either restaurant location in the Team Sponsorship Box with "PFSC" printed on the back. A percentage of the bill will be donated to our Club by Boston Pizza!

This is a reminder to all parents to be aware of your child's whereabouts at all times during our skating sessions. Our very young skaters need a parent present at all times to supervise bathroom breaks and to support the skater through injury or distress. Younger siblings should stay close to you or be in your sight at all times.

Also a reminder to all skaters that our dressing rooms are not supervised and PFSC cannot be held responsible for lost or stolen items. Please **DO NOT** leave items like purses/wallets, cell phones, electronic games etc. in the dressing rooms.
