## ICE SCHEDULE/CHANGES

PLEASE make sure you check your schedule! Ice changes do happen during the skating year so an up-to-date schedule is always posted on our website at [www.peterboroughfigureskatingclub.ca](http://www.peterboroughfigureskatingclub.ca) - click on Schedule Tab, Schedule, Select Winter Brochure Page 4 or Schedule Changes.

## WELCOME BACK...

Welcome everyone. It's great to see our skaters' enthusiasm on the ice at the Memorial Centre!

## INTERCLUB COMPETITION

This year's Interclub is in Lakefield on Sat. Feb. 27, 2010

## CARNIVAL

By popular request, our carnival date has been changed to Sunday March 28. Our end of year carnival is a difficult date to schedule because the Memorial Centre is home to the Petes and our ice availability is tied to their schedule. As always, should the Petes need this ice we will be required to revert back to our original date of April 4, 2010. Carnival practices will be held on Friday's from 4-6.

## FRIDAY ICE

Starting in January, our club is pleased to offer ice on several Fridays from 4-6 at the Kinsmen for all students, as long as their coach is present. This extra ice was purchased in an effort to help our skaters prepare for upcoming events and competitions. The Friday schedule, when finalized, will be posted on our website.

## DEVELOPMENT SESSIONS

We would like to assess the demand for one-hour group Development Sessions offered to Intermediate and Senior skaters at a total cost of \$10 per skater each session. If there is enough interest, they would be held on Sundays starting in February. These group sessions are intended to be in addition to a skater's regular private lesson. Please email us at [info@peterboroughfigureskatingclub.ca](mailto:info@peterboroughfigureskatingclub.ca) if you are interested. We will then email you the details when available.

## "ROCK THE ICE" - STARRING ELVIS STOJKO

The Peterborough Skating Club is considering providing a Skybox for this show dated Sunday, January 03, 2010, at 7:00 P.M. If you are interested, tickets are \$47.50 each and we need at least 35 participants. Please respond to our e-mail address: [info@peterboroughfigureskatingclub.ca](mailto:info@peterboroughfigureskatingclub.ca) no later than November 15, 2009 as we need to respond quickly.

## PARENT VOLUNTEERS

Peterborough Skating Club is a volunteer based, not-for profit organization. We'd love to have your help!

**Best of luck and have a terrific skating season!**
